

Övningsplanering

Datum : _____

A diagram of a rectangular field, possibly a table or a court, with rounded corners. A vertical line runs down the center. At each of the four corners, there is a small black diamond-shaped marker. On the left side, there is a white rectangle with a blue vertical bar on its left edge. On the right side, there is a white rectangle with a blue vertical bar on its right edge.

Beskrivning

A diagram of a rectangular field, identical to the one above, with rounded corners, a central vertical line, four corner markers, and white rectangles with blue bars on the left and right sides.
